### HRB DIFA Award

The DIFA award we received in 2023 has commenced! This provides specific funding for the Endothelial & Influenza Immune Modulation domains. There will be nurse support available to sites participating in these domains. If you are interested, please let us know and we can provide further information. Optional biological samples will also be rolled out this year.

### Prizes for Upcoming Recruitment

We are offering some prizes to kickstart recruitment in 2024! Congratulations to SVUH for recruiting the first patient of 2024 and the first patient to the ventilation domain! There remain prizes for any site that recruits 2 patients per month Jan-March 2024, the 5<sup>th</sup> patient in both categories and keep an eye out in the Feb newsletter for more prize categories.
